7            **Special Condition #4:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** The offender is alleged to have violated special condition number 4, by ingesting controlled substances, methamphetamine and amphetamine, on or about September 4, 2024.

On September 4, 2024, the offender reported to the U.S. Probation Office where he submitted a urine specimen that returned presumptive positive for methamphetamine and amphetamine. At that time, he signed a denial form indicating he did not use said substances. The urine specimen was sent to the national laboratory for confirmation.

Later that day, Mr. Jackson was questioned about his recent positive drug test and he stated, “no meth, I did ecstasy.”

8            **Special Condition #3:** You must undergo a substance abuse evaluation and, if indicated by a licenced/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare upon further order of the court. You must contribute to the cost of treatment according to your ability to pay. You must allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** It is alleged Mr. Jackson is in violation of his conditions of supervised release by failing to obtain a substance abuse assessment on or about August 19, 2024.

On August 28, 2024, The probation officer received email correspondence from PHS indicating the offender failed to report for his substance abuse assessment on August 19, 2024.

On August 29, 2024, Mr. Jackson was instructed to schedule another substance abuse assessment and he stated he understood. As of the date of this report, he has not scheduled an assessment as instructed.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court, and that the Court **issue a WARRANT**.

I declare under penalty of perjury that the foregoing is true and correct.
